

Century 21

PORTABLE MUSEUM

OVERVIEW

Century 21: Lesson Planning Calendar

These lessons have students dissect images and events from Seattle’s 1909 and 1962 Expositions to discover clues about what life was like during these time periods. Students will compare and contrast the events in addition to life today. Students will work in groups to create tangible material to share what they have learned.

Day 1	Day 2	Day 3
