**ABOUT THE TRUNK**

The Puget Sound Maritime History Trunk is designed to be integrated into levels 5 – 8. The following topics are covered by using lesson plans in the Dunn & Dunn Learning Styles Model: History, Communication, The Shipyard and Navigation. EALRs are noted for each section.

The *History* section focuses on the history of trade, immigration, recreation and transport in the Puget Sound area using artifacts and photographs. Students create a skit.

The *Communication* section focuses on maritime signal flags and involves the students in an art project.

The *Shipyard* section focuses on buoyancy, shipyard lingo, and knot tying, integrating science and history.

The *Navigation* section utilizes nautical charts and navigational tools to lead students on various “treasure” hunts, incorporating history and mathematics.

In addition to actual maritime artifacts and photographs, the trunk contains lesson plans, books, maps, evaluations and supplemental materials for background information.

**COST:** The cost to rent this trunk for a two week period is \$30.00 and \$15.00 for each additional week. The fees support staff time and content refurbishing. Late returns will result in a fine of \$25.00 per day. Renters are responsible for keeping the Maritime History Trunk and its contents safe. You will be charged the replacement cost of lost or broken items.

**PAYMENT:** Checks should be made payable to the Puget Sound Maritime Historical Society.

**RESERVATIONS:** Required at least two weeks in advance by phone or email. Please note our staff is part-time so it may take a few days to respond.

**PICK UP & DROP OFF:** Will be at the Maritime Research Center in Georgetown or by special arrangements at MOHAI at Lake Union Park.

**MEASUREMENTS:** 22.5” l x 16.5” w x 16.5”h

**WEIGHT:** 30 lbs.
