

Innovation Exchange 2020 | Chat Instructions September 30th at 4pm PST

We are so pleased you will join us for MOHAI's 2020 Innovation Exchange.

MOHAI will be moderating a chat via [YouTube's Chat](#) feature that you are invited to join during the Innovation Exchange event.

We recommend watching the video on a computer so you can participate in the chat. YouTube has a chat bar on the right side of the screen during live premieres and we hope that you will join the conversation in real-time. Between each segment of the program, there will be a short pause when event viewers will be encouraged to ask questions and make a gift to MOHAI.

The program is 44 minutes and 26 seconds long which includes 10 minutes of post event chat time. The Innovation Exchange will begin promptly at **4pm PST on Wednesday, September 30.**

HOW TO JOIN THE INNOVATION EXCHANGE LIVE CHAT

STEP ONE: Sign into your Google account.

If you have a Google account and would like to use it for the chat, see below. If you do not have a Google account, [click here](#) to create one and return to follow the instructions below.

1. Click the blue Sign In box.
2. This will take you to a page where you can choose the Google account you want to use to sign in to YouTube. Click on the account (if it appears) or enter your account information.
3. On the next screen, enter your account password.
4. You'll be auto-directed back to YouTube.

STEP TWO: Confirm you are signed-in and begin chatting.

Before you leave a comment or chat on a YouTube video, make sure you are signed into your account. If you are signed into your account, your Google photo or icon will appear in the upper right corner of your browser window. If you try to comment when you aren't signed in, YouTube will automatically send you to your Google sign-in page.

You are ready to join the conversation. Add your questions in the chat box.

When you leave your first comment, you may be prompted to set up a [YouTube](#) channel. This doesn't mean you have to post videos, and it will not impact your existing Google account.
