## Coast Salish Culture: Lesson Planning Calendar

The following calendar is a suggested plan to help you maximize your time with the Portable Museum. We've designed a series of lesson plans that build upon each other to help you teach your students curricular content, as well as important social studies skills. However, each lesson plan or activity can also be used independently to fit into your classroom's particular needs. The details for each of these lesson plans and activities are included on the flash drive included with the Trunk.
